

Packing Essentials

For Her & For Him — What You Actually Need

THE 5 RULES OF SMART PACKING

1 — Carry-On Only

Target: 7 kg or under. No checked bag = no waiting, no fees.

2 — Colour Palette

Pick 2–3 base colours. Everything must mix and match.

3 — Wear, Don't Pack

Heaviest clothes on your body on travel day.

4 — Buy On Arrival

Toiletries, sunscreen, shampoo = buy at destination.

5 — The 1-Out Rule

For every new item you pack, remove one existing item.

FABRIC PICKS THAT TRAVEL FURTHEST

Merino Wool

Anti-odour, regulates temp, packs tiny. Wear 3× between washes.

Linen

Breathable, light, looks great slightly crumpled.

Nylon / Ripstop

Quick-dry trousers and jackets. Packs to palm size.

Modal Blend

Soft, durable, low-maintenance. Perfect for basics.
