Insider Moves — Save Money, Move Smarter

✈️ FLIGHTS & BOOKINGS

1

Book Tuesday 6 PM

Prices drop midweek. Set alerts on Google Flights.

2

Incognito Mode Always

Airlines track visits and raise prices — go incognito.

3

Flexible Dates

+/- 3 days on Google Flights can cut 30% off fares.

4

Hidden City Ticketing

Sometimes cheaper to book past your stop and exit early.

5

Redeem Miles Smart

Use points for flights; pay cash only for fees.

■ MONEY & TECH

6

Wise or Revolut Card

Zero FX fees. Load before you fly, withdraw locally.

7

Never Airport ATM

Airlines charge 5–10% extra — use in-city bank ATM.

8

Decline DCC Always

When asked 'charge in home currency' — always refuse.

9

eSIM Before Landing

Airalo or Holafly — activate before touchdown.

10

VPN on Public Wi-Fi

Never bank without a VPN at hotel or café Wi-Fi.
